

ORDER FOR 2024

Auto-Trail Imala 736 G

£POA

The Auto-Trail Imala 736 G brings with it a transverse rear double bed built over a rear garage. The front lounge can also be transformed into a further sleeping area, and there is also the option to add an over-cab bed with the Hi-Line models. This highly sought-after layout is popular thanks to the secluded sleeping area to the rear and is also popular among those with an active lifestyle thanks to the storage compartment with external access.

Built on the ever popular Fiat Ducato Euro 6D chassis and featuring a 140bhp engine as standard the Imala 736 has the most storage space within the Imala range making it easy to take every creature comfort with you on your holidays.
