Auto-Trail Scout Automatic

£77690

This 2020 model Auto-Trail Frontier Scout Hi-Line model is built on a Fiat Ducato 2.3 litre 180 bhp engine and has only covered 2000 miles. This Scout gives you a double dinette and two rear seat belts included. With a roomy U-shaped lounge, the large Scout can accommodate those that like to entertain with ease and as this is a hi line it sleeps six and travels four. To the front is another lounge area that makes use of the front seat captain chairs and is adjacent to the modern kitchen with domestic style worktops and soft close drawers. This motorhome is built on the AL-KO chassis with a driving force. Utilising the latest bonded body construction methods and insulation materials, along with the fully integrated ALDE hydronic heating system, your Auto-Trail Frontier will remain cool in the summer and cosy on those winter nights away. This model comes Media Pack featuring a 19.5 Avtex wide screen TV with DVD player, the new Zenec Xzent LCD display touch screen head unit, incorporating Western European motorhome specific satellite navigation.
