

Auto-Trail V-Line 635 Sport

£56995

This 2018 Auto-Trail V-Line 635 is based on a Fiat Ducato chassis with a 2.3 L 130 BHP engine paired to a 6-speed manual gearbox. With its compact size and weight at 3500kg, it is a very usable 2 berth 2 belted van. Moving inside, the van has a spacious U shaped lounge which converts to a large double bed. The well equipped kitchen situated mid van has all mod cons including a microwave, hob, oven, fridge and freezer. There is plenty of storage for crockery and cutlery plus plenty of LED lighting. Opposite the kitchen is the shower room with toilet. This vehicle also benefits from the addition of a refillable gas system (LPG) which is not only cheaper but easier than changing gas bottles. The front the driver and passenger seat swivel round to give extra seating and an occasional coffee table can be positioned in front of these seats. A rather larger free standing dining table is stowed for travel in the cupboard and can be positioned in the rear lounge with space enough for four people. Extras include alloy wheels, awning, reversing camera solar panel and Xzent media unit.

Peace of Mind - Guaranteed
