£63927

You no longer have to choose between a large lounge and a large bathroom, wide twin beds and an ample garage. The 630 now offers all this and even a wardrobe, thanks to two independent roof beds that let you sleep well at night but leave room for a large living area during the day.

A quality 2022 specification 4 berth low profile motorhome with electrically operated individual drop-down single beds beneath which sits a front Smart lounge/dinette which makes good use of the swivel driver and passenger front seats, fully adjustable table, two bench seats either side of the vehicle that convert into two travel seats with seat belts, this area will convert into a good size transverse double bed. The central kitchen comes with a 2 burner gas hob plus 240v hotplate, combination grill/oven, stainless steel sink with cover plus ample storage with soft close drawers, opposite is a stylish 3-way fridge with separate freezer.
