

Chausson Welcome 716

£58995

This 2019 model Chausson Welcome 716 is based on a Ford Transit chassis with a 2.0L 170 BHP engine paired to an Automatic gearbox. This Chausson Welcome 716 is a unique low profile 5 berth family motorhome with hideaway bunk beds. During the day, the bunks slide electrically into the roof to leave a vast play area for the children and also features an attractive wardrobe, separate shower and bike garage. The front lounge provides lots of space for entertainment and also has 3 more traveling seats thus making it a 5-belt motorhome. Above the lounge is the drop-down double bed, which is very comfortable and cosy, so no need for messing around trying to put up/assemble your main bed after a long day. Extras include alloy wheels, Satellite dish, Cab air conditioning and reversing camera.
